

ICAI Dubai Chapter August 2023

# **UAE Corporate Tax**

### Strengthening its position in national and international markets

#### **Global Commitment**

Re-affirm its commitment to meet international tax standards & prevent harmful practices

#### Competitiveness Cement its position

as a leading global hub for businesses

practices from matured tax

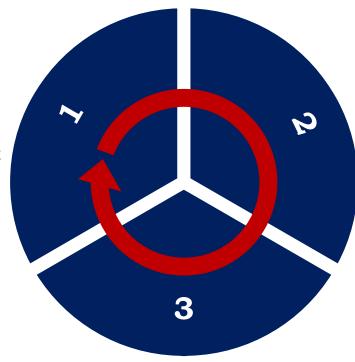

# **UAE Corporate Tax**

Our Role and support across value chain

### Support to Business Teams

- Quantitative and qualitative analysis to evaluate business impact
- Act as a decoder and provide a comprehensive overview of the tax code
- Amending tax and governance framework within the organisation, etc
- Assist in tax optimization activities within the contours of the law

## Knowledge Sharing

• Frequent participation in knowledge sharing sessions

# **Support to Authorities**

- Assist in successful adoption of tax policies by taxpayers
- Assist in combating tax evasion
- Participate to share thoughts and recommendations to further simply and strengthen tax laws
- Acting as a link between the taxpayers and tax authorities

### Adhering to our values

"In our profession it is not uncommon to face business and client pressure, however, this should not distract us from upholding the **integrity and professionalism that fundamentally defines our collective reputation as a profession. As Chartered Accountants,** we should always live by a set of core values that motivate us to do the right thing and be vigilant and accountable as always"
